

Bernat Espinàs Añor

I started programming as a hobby while I was in high school, and quickly realized I wanted to pursue it as a career.

I've created a webpage where you can see my projects: bernatespinas.com!

You can find me at [LinkedIn](#), [GitLab](#) and [GitHub](#). You can also contact me at correu@bernatespinas.com.

Professional experience

- 2022 - Today **Zitro, Automation Software Tester**
Sant Quirze del Vallès
Create and maintain functional tests written with Gatling and Scala.
- 2021 - 2022 **Zitro, Interactive Software Tester**
